Los Angeles, CA

OBJECTIVE

I am seeking a position as an animator in film or television.

EXPERIENCE

Animator/Modeler

SynchroLux Productions May 2008 – Present Los Angeles, CA

- Short Film: Character animator & environment modeler for independent short film, *Frankenbot*

Transcriber

Blue Orbit / Zoo Productions March – Present Studio City, CA

- Television: Worked in post, transcribing and organizing footage for MTV reality shows

Editing Assistant

BBC America January – February 2008 Los Angeles, CA

- Television: Supported post production team for reality program

Animator

Snoot Entertainment May 2006 – January 2008 Los Angeles, CA

- Film: Character & effects animator working closely with the director & a small group of artists on a full length feature sci-fi independent film, *Terra*

EDUCATION

University of Central Florida 2002 - 2006 Orlando, FL

B.A. Computer Animation Graduated with honors

- This program concentrated on simulating a real production setting, in which each individual had a specific role, and collaborated to create a short film. My emphasis was on 3D character & effects animation.

Edinburgh College of Art 2003 Edinburgh, Scotland

Animation

- Focused on traditional animation styles (stop motion & 2D animation) while learning to balance and perform various production roles (storyboard artist, director, animator, editor, etc.).

SOFTWARE

- Maya, Shake, Lightwave, Flash, Photoshop, Final Cut Pro HD

ORGANIZATIONS

- **SIGGRAPH** Volunteer & Member 2005-2008
- **ASIFA – Hollywood** Member 2008
- **VES** Volunteer & Member 2007
